"A brilliant ruby color, the 2017 vintage has a structured and balanced body while still offering the delicate poise of a Pinot Noir. A robust bouquet of cherry pie, rhubarb and cedar surround your senses. Pretty and bright acidity dance on your palate with complimentary notes of pomegranate, strawberry jam, and black tea. All leading into a long, soft, lingering finish of sweet tobacco and rose petals. A real crowd pleaser, this wine is sure to delight all wine lovers!"
